3. PARTICIPANTS

3.1 Using the JCC Maccabi online registration system, each athlete shall provide complete information on his/her ability level. This information will determine whether they participate in the competitive or recreational division according to age/gender. Should there not be enough athletes registered to warrant a split division, the information will be used to place players in the Round Robin. It is mandated that every division with at least 10 participants or more be split into recreational and competitive divisions.

3.1.1 This information is required to be entered and confirmed by the delegation head by the registration deadline. Any registration confirmed after the registration deadline will be considered "late" and subject to late fees.

Note: Both divisions will play for JCC Maccabi Games, Gold, Silver and Bronze Medals.

3.1.1 Competitive and Recreational divisions will be determined through information provided by the athlete on the online registration site in the following manner.

If a player answers yes to any of the questions listed below they will be considered a competitive player. If they answer no to all questions they will be placed in the recreation division

1. Do you participate in local, regional, sectional or national tournaments throughout the year?
2. Are you USTA Ranked? If yes; what is your ranking?

Note: Age/gender divisions will not be broken up into a competitive and recreational tournament if there are not more than thirty-two (32) total players. Furthermore, divisions will only be split if there are at least eight (8) registered players.

The host community in conjunction with the SAC will make every effort to place the players according to their online registration information to form even and fair groups.

4.3.1 Round Robin groups may need to be altered in the final weeks leading up to the Games. Host communities in conjunction with the SAC will only make final adjustments where absolutely necessary up until the Friday before the Games at the delegation head meeting, no changes will be made after that time.

- 4.4 Schedules will provide that each match begin on the hour whenever possible and not start before their allotted time. Players begin a five (5) minute warm up and at five (5) past the hour, all eight (8) game pro sets begin.

After the tiebreak, a winner and loser are determined and those results will be listed in each player's overall record. For tiebreaker purposes, each player will be listed in the standing as having won 8 games and lost 8 games.
